```java
public class JavaExceptionExample {

    public static void main(String[] args) {

        try {

            int data = 100 / 0;

        } catch (ArithmeticException e) {

            System.out.println(e);

        }

        System.out.println("rest of the code...");

    }

}
```
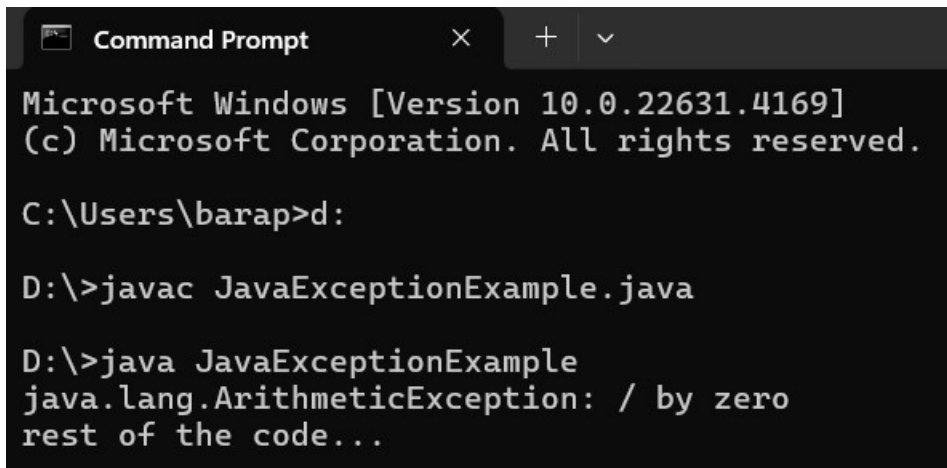

```
Command Prompt                    ×    +   ∨
